

After a few years of support raising and extra training we joined the team of FIA and served in Papua New Guinea for six years! It was an amazing experience and we enjoyed our ministry to Missionaries living in remote tribal settings!

We loved the everyday contact we had with the people of PNG and found great satisfaction and joy in serving missionaries! Our six years was one adventure after the next as we served and supported Missionaries working hard to bring Gods word to remote people groups of Papua New Guinea.

After many challenges with our sons educational needs we came to the realization that we needed to come home for our boys. We felt the loss of living overseas close to the immediate needs of Missionaries but we trusted God had a plan to continue using our family in the great commission while living at home for our boys!

It's with such gratitude that we now partner with I-TEC a ministry close to our hearts as they support the physical needs of Missionaries all over the world! We had prayed that God would continue to use our family towards the efforts of His great commission and we are excited we can care for our family while still having a full time ministry with I-TEC!

Our family is so thankful God has a position here in Pennsylvania that fits Brian's God given unique talents and skills and we love working with the I-TEC team!

This year we have been blessed to introduce you to three new families desiring to serve full time with I-TEC. **Michael & April Fisher, Miguel & Nora Villa and Brian & Rachael Montei.**

If you feel led to be part of their financial team please note that with your donation to:

I-TEC, 23 Green Hollow Road, Montoursville PA 17754 or donate on line at www.itec.org

Amazing how God works His plan.

Gary Smedley ran into a team from YWAM at a Sports Show in Harrisburg ,PA. They shared their need for plumbing and electrical work at their center in VA.

Wayne Bietzel stepped up to the plate and filled the need in a very professional way.

Thanks Wayne for using your skills to make a difference for those serving in world missions.

God has blessed us with many professional volunteers willing to use their skills to aid those sharing the Gospel with those who have not heard. If you want to be part of the team fill out the volunteer form on our web site www.itec.org or call 570-433-0777
